MISSIONS.ME TEAM CULTURE

Here are the five culture points that make a Missions.Me missions experience like no other experience on earth.

SAFETY: “I will put the safety of myself and others above all else.”

HONOR: “I will honor my leaders, fellow team members, and those I am ministering to.”

FAITH: “I choose to believe for the impossible to happen.”

FUN: “I will strive to create experiences for my team members that are both impacting and fun.”

UNITY: “I will do my best to bring unity, love and camaraderie to my team.”
